Make a sketch of your best rocket

| Flight Test | Predict How Much Mass Your Rocket Will Lift 1 paper clip = 2gm | Actual Mass Lifted |
|-------------|---|--------------------|
| 1. | | |
| 2. | | |
| 3. | | |
| 4. | | |
| 5. | | |

Describe your first rocket.

How did you change your rocket to make it carry more mass?

What other ways could you change your rocket to improve it?
